

DONATIONS THAT CHANGE LIVES

Decluttering is just one of the many steps when preparing for a move. Through our partnership with The Salvation Army, gently used belongings can be picked up and taken to a Salvation Army store, where all items purchased directly fund adult rehab programs that change lives and restore families.

By donating your unwanted belongings, you are giving someone a second chance at life. The Salvation Army Adult Rehabilitation Centers provide housing, food, counseling,

and employment for program beneficiaries as they work to address the root causes of prolonged alcohol and drug dependence.

Through a simple 5-step online form, you can schedule your unwanted, gently used belongings to be picked up for free in a matter of minutes or simply call 1-800-SATRUCK (1-800-728-7825).

TO SCHEDULE AN ONLINE PICKUP:

1 Go to SATruck.org. Enter your zip code to find the closest TSA pickup service.

2 From clothing to furniture, choose the unwanted, gently used belongings you will be donating.

3 Select the date you would like your items to be picked up and provide the TSA driver with any special instructions they may need.

4 Select Allied Van Lines as the referral source.

5 Provide your personal contact information and location of pickup. Once you press submit, your pickup schedule is confirmed.

“When I look in the mirror, I see a different person. I see one who has a renewed motivation for life and sense a strong purpose for my future. My time here at the ARC has been well spent and I see a bright future ahead.”

—Alonzo Knight, Graduate of The ARC
